

## Our School Prayer

Dear Father,

Thank you God, that we are a school with a big Christian heart, where everyone matters and being different is celebrated.

Thank you that our school is a place of fun, friendship and learning.

We are sorry for the times when we forget to love ourselves and each other as you love us.

Forgive us when we forget to help each other do our best.

Help us to work together as a community, so that our school can be a place of love and learning for everyone.

In Jesus' name.

**Amen**
